Tip of the Day

Babies are born needing their parents to help them to manage their level of attention and emotions (regulation). Babies and young children learn from the adults who care for them. When parents are calm, focused and alert, they are in the best state to calm their child and help them to learn.

Program closures:

All programs will be closed on Saturday September 1 and Monday September 3 for Labour Day long weekend.

Programs offered at our EarlyON Child and Family Centre

Play & Learn - Ages 0-6 years

Play and Learn is a program where parents and caregivers and their children meet others and play interactively in a learning environment. The program includes creative activities, drama, music, pre-reading, and math concepts as well as gross and fine motor activities.

Family Fun - Ages 0-6 years

Family Fun is a program that focuses on early learning activities that relate to the development of the child. Activities include sensory, crafts, cognitive, dramatic, and block play.

Connecting with Families - Ages 0-6 years

Provides an opportunity for parents, caregivers and children to play, interact, and meet others from the community.

Baby & Me - Ages 0-12 months

Parents and their baby can meet with other new parents in a relaxing, social environment. There is a variety of stimulating activities, informative workshops and interactive activities.

Book Nook at EarlyON Child and Family Centre

Every child will be able to choose a book to keep!
Thanks to the Children's Book Bank for the donation.
