

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
<p>Creating our own bird nest with a bird family.</p> <p>Material: Twigs and branches, small paper plates, glue, feathers, egg carton, paper roll, markers.</p> <p>Together with your child talk about what a bird nest may look like and try to build one. Use the above materials and glue them onto a paper plate. Make your own bird for the nest or a family of birds.</p>  	<p>Indoor Snowball Toss</p> <p>Materials: White plain tissue paper or any kind of paper that can be easily scrunched by your child. One laundry basket. Create line using the tape on the carpet area or on your floor.</p> <p>Ask your child to scrunch up 10 pieces of paper to make snowballs. Make a line to indicate the toss line.</p> <p>Set up an area where your child can throw the paper snow balls into the laundry basket. Challenge your child to try to get all 10 paper snow balls into the basket.</p> 	<p>Line Walking</p> <p>Materials: Colored tape and scissor.</p> <p>Let the children participate in clearing the area of any clutter. Stick the tape in different patterns on the floor. Let the child walk along and follow the pattern on the floor. Encourage your child to walk forwards, backwards, walk like a cat, bear etc..</p> 	<p>Home Made Counting Book</p> <p>Materials: Paper, grocery flyers, magazine, crayons, scissors, glue.</p> <p>Staple, or fold blank paper to look like a book. For each page add a number and ask your child to glue the number of pictures to the numbered page. You can re-use the book and look for colours, shapes or make up a story with the pictures your child has chosen.</p> 	<p>Dream Catcher</p> <p>Materials: Yarn, Paper plates, markers, crayons, yarn, string or ribbon, hole punch.</p> <p>Encourage your child to cut the inner circle of the paper plate and punch holes around the outer portion. Take yarn or ribbon and lace through the holes. Colour the paper plate, add feathers or glue sparkles.</p> <p>Story of the Dreamcatcher https://motherbird.com/dreams.htm</p>  

While we make every effort to create safe and engaging activities for children, please be mindful of the type and size of materials you provide your child. Supervision is still required for all the activities and children should not be left unattended during these activities.
