

# Activities for Kindergarten Children

May 18-22, 2020

| MONDAY   | TUESDAY   | WEDNESDAY  | THURSDAY   | FRIDAY   |
|--|---|--|--|--|
| <p align="center"><b>Salt Dough Fossils</b></p> <p><u>Materials:</u><br/>2 cups of flour, 1 cup of salt, 1 cup of water, mixing bowl, mixing spoon – recipe yields 2.5 cups of salt dough. Small toys (dinosaurs, animals), textured materials (leaves, shells) that you can press into the dough to create a fossil</p> <p><u>Instructions:</u><br/>Together with your child, measure and pour dry ingredients into a bowl, gradually add the water and mix until all ingredients are combined. Use your hands to knead the dough and add more flour if it is too sticky. Your child can create palm sized circles and press down the material they chose to create the imprint. The dough will air dry in about a day or two to be fully and then you can paint!</p>  | <p align="center"><b>Bottle Bottom flowers</b></p> <p><u>Materials:</u><br/>Various empty and clean plastic bottles of different shapes and sizes, paint, plate for paint, and paper</p> <p><u>Instructions:</u><br/>Pour different coloured paints onto the plate. You child can dip the bottom of the bottle onto the plate then stamp onto the paper. Continue with various bottles to discover the different flower like shapes you can create.</p>  | <p align="center"><b>Masking Tape Tic Tac Toe</b></p> <p><u>Materials:</u><br/>Masking tape<br/>4 objects of one color and 4 of another color (e.g., toy blocks, socks, plastic cups)</p> <p><u>Instructions:</u><br/>Your child can use the masking tape to draw the game board on the floor. It should have three rows of three square (just like in the picture below).<br/><br/>Take turns placing your object in one of the squares. The first player to get 3 in a row wins!</p>  | <p align="center"><b>Plate Ring Toss</b></p> <p><u>Materials:</u><br/>7 paper plates, one empty paper towel roll, markers, tape, and scissors</p> <p><u>Instructions:</u><br/>You and your child can do these steps together!<br/>Cut out the middle of the 6 plates (tip: gently fold the plate in half and cut out a semi-circle). Decorate these plates using markers, or any colouring materials you may have. These are your Frisbee rings.<br/><br/>Take the 7<sup>th</sup> plate and the paper towel roll to create the stand for your Frisbee toss. Cut the bottom of the roll vertically about 1 inch four times and bend out the bottom as this will make it easier to tape the roll onto the plate. Set it down and begin the toss!</p>  | <p align="center"><b>Hop Scotch</b></p> <p><u>Materials:</u><br/>Markers, construction paper with various colours, scissors, tape</p> <p><u>Instructions:</u><br/>Have your child trace 4 sets of both their feet on construction paper. Now your child can cut out the foot shapes. Using tape, create an outline of hop scotch on the floor then tape the traced feet into the outline squares!</p>  |

While we make every effort to create safe and engaging activities for children, please be mindful of the type and size of materials you provide your child. Supervision is still required for all the activities and children should not be left unattended during these activities.
